

IEEE JRFID Special Issue on “IEEE RFID-TA 2025 Conference”

The **IEEE RFID-TA 2025 JRFID Special Issue** will contain **EXTENDED VERSIONS** of papers presented at the **IEEE RFID-TA 2025 Conference**. The manuscript **MUST be significantly extended** beyond the scope of the conference paper in terms of the overall **TECHNICAL** content and research results.

The submission deadline is January 15, 2026. Nevertheless, submissions well in advance with respect to the deadline are strongly encouraged, since the papers will be published in Early Access on IEEE Xplore as soon as they are accepted. They will appear under the Topic “Selected Papers from the 2025 IEEE International Conference on RFID Technology and Applications” in IEEE Xplore.

IMPORTANT DATES:

Submission deadline: January 15, 2026

Publication of the Special Issue: Mid 2026

Publication on IEEE Xplore: in Early Access as soon as the paper is accepted

Submission guidelines

The following requirements must be satisfied when submitting the manuscript.

1. The **MANUSCRIPT MUST BE TECHNICALLY EXTENDED** beyond the scope of the conference paper, as mentioned above. The novel contribution with respect to the conference paper has to be properly declared and possibly highlighted in a different colour. The conference paper **must** be listed as one of the references in the special-issue manuscript and clearly referred through the text.
2. At the time of submission, the authors must provide in the **COVER LETTER** detailed information regarding how the manuscript is a technically extended version of the conference paper.
3. A **PDF copy of the conference paper** must also be submitted.

The manuscript must be formatted according to the template available at <https://journals.ieeeauthorcenter.ieee.org/> and must be submitted electronically using the Author Portal (<https://authorgateway.ieee.org/ag/public/landing.jsp>), together with the accompanying documents (i.e. cover letter, conference paper and IEEE copyright transfer form).

For any question on the submission process, please contact the Editor-in-Chief of IEEE JRFID, Prof. Paolo Nepa (paolo.nepa@unipi.it) or the Guest Editors.

About the Journal: IEEE Journal of Radio Frequency Identification (JRFID) is the flagship journal (Hybrid Open Access) of the IEEE CRFID. JRFID has achieved remarkable success and outstanding metrics, solidifying its position as a leading publication in the field of the technologies for communication, localization, wireless power transfer and sensing. Most recent JRFID metrics: 2024 Impact Factor: 3.4; 2024 Cite Score: 6.1. JRFID has also excelled in publication timeliness (as from the IEEE PSPB report for 2025 Second Quarter Sub to Pub Report - High Performers): Average Weeks Submitted to First Decision: 5.5 weeks, Average Weeks Submitted to Online Post: 12.4 weeks.
